SUMMARY

I am a recent graduate of a front-end developer certificate program, and I bring a unique blend of technical expertise and strong interpersonal skills to web development. With my passion for crafting visually appealing and seamlessly functional websites, I am constantly striving to advance my knowledge of UX/UI development through ongoing education. I am confident in my creative approach, analytical mindset, and collaborative spirit, making me an invaluable asset to any development team. My meticulous attention to detail ensures that I deliver high-quality solutions that exceed industry standards.
